

The background of the image is a dark, textured surface featuring a repeating geometric pattern of small triangles. Overlaid on this is a large, faint, concentric oval shape. The logo itself is centered within this oval. It consists of the word "Oliva" in a white, serif font, with a registered trademark symbol (®) to the upper right of the 'A'. Below "Oliva" is the phrase "HOME DESIGN" in a smaller, white, sans-serif, all-caps font.

Oliva®

Versatile Waste & Recycling Bins / Storage Units

Atahome versatile compartmental bins can function as waste and recycling bins, as well as storage organisers, making them ideal for kitchens, offices, and garages. They are equally well-suited for bedrooms, bathrooms, or utility rooms. Atahome recycling bins are meticulously designed to facilitate effective waste separation, all while taking up minimal space and seamlessly integrating into any kitchen or office environment. Each plastic bucket has a capacity of 15 litres.

- Hygienic & multifunctional
- All-in-one waste separation bin
- Bathroom storage unit
- Space-saving design
- Sturdy metal structure
- Sleek and practical design

Secure Metal Parcel Delivery Box Convenient and Reliable Package Drop-off Solution

Atahome Parcel delivery boxes are perfect solution for ensuring the safe and hassle-free delivery of packages to your home or business. They are made from high-quality, weather-resistant metal, ensuring long-lasting durability and protection for your packages. Your packages will remain safe and dry inside the weatherproof mail parcel box, thanks to its protective design. Outdoor parcel box can be securely attached to your porch, gate, or wall, ensuring a convenient drop-off location for delivery personnel.

- Neat Solution to a modern life problem
- Clever Design
- Accommodates good sized parcels
- No more soggy parcels left on doorstep
